

WE NEED YOUR HELP!!

~100 more books are still needed!

PLEASE HELP THE NYC MISSION TEAM PROVIDE THE 7TH GRADERS AT MS 223 (THE INNER CITY MIDDLE SCHOOL WHERE THEY VOLUNTEER AT) WITH THEIR VERY OWN SHOE BOX LIBRARY!

We would love for as many students as possible at the ACSC to help out by sponsoring a 7th grader in this effort. In sponsoring a child, we ask that you provide five books for an individual shoebox library. You can do this yourself, or you can get a group of ACSC kids together to split the cost. We estimate that 5 used ("LIKE NEW" or "GOOD" condition only please) books will cost around \$30.

Here's the complicated part-Because of the expense of shipping 800 books from Auburn to New York, we are asking that you order the books off of Amazon, and have them shipped directly to the school. MS 223 has developed a list of acceptable books for the libraries that you can find here: <http://amzn.com/w/2P4A7EN6INYPZ>.

Please have the books shipped to this address by March 1, 2012:
